Incredible Opportunity, Location and property. Main House and new Guest Cottage with a full poured concrete basement. Atlantic Avenue is a short road that runs parallel to East Chop Drive, a block over from the East Chop Lighthouse and within earshot of the musical sounds of the ocean. The Main house, built in 1890, is a classic example of traditional Victorian architecture and has been carefully restored to summer-living condition with painted ginger bread trim and a wrap around porch. A huge open kitchen w/cathedral ceiling is simple and functional. The back door off the kitchen leads to a screened in porch for alfresco dining and lounging. The beautifully refinished wood floors and leaded glass windows extol the simplicity and traits of an earlier time. With 4 existing bedrooms and 1.5 baths, the house has been newly insulated and painted and is waiting for your finishing touches. A brick fireplace...
